

Live life in all it's fullness.

In addition to our pastoral care team, Rivercity Family Church now has a student counsellor who is able to offer counselling services to members within our church and in the broader community.

A student counsellor can assist adults or children with:

Relationship Issues

Personal Issues

Anxiety & Stress

Depression

Loss & Grief

Domestic Violence

Identity & Self Esteem Issues

Sexuality

Abuse & Trauma

Separation & Divorce Issues

Counselling creates a genuine and safe environment where the client is able to share their problems in a non-judgmental and empathetic atmosphere. It provides the opportunity and facilitation for growth in many areas of human behavior and experience .

Sessions go for 45 minutes in duration and cost approximately \$15 per session, depending upon your financial position.

Within a counselling session there is strict confidentiality of all information that is shared between the client and counsellor, unless you provide written authority that states otherwise. Exceptions of confidentiality exist in the instance of a court order/subpoena or in a life-threatening situation.

A student counsellor receives professional supervision on an ongoing basis to maintain accountability and personal/professional growth. Supervision occurs outside the 45 minute counselling session, so your appointment will be exclusively with the student counsellor.

For more information or to make an appointment please contact the church office on 3300 0020 or email: ajconstantine@live.com.
