mainly music is a fun music group for parents or primary care givers to enjoy together with their young child. Throughout the morning, children develop gross and fine motor skills, language, imagination, maths and pre-reading skills as well as socialize with others. Each mainly music is associated with and is run by volunteers from a local church. Started in 1990 in New Zealand, children will be introduced to music, creativity and more, plus families given a chance to think about the God-part of life.

Amazing to think that all this can be achieved in a loving, shared family environment

### frequently asked questions

**Do I need to take anything to a mainly music session?** - No, everything is provided for you at the session. Sometimes a theme day will be staged - you might be asked to bring your child dressed up

**Do I need to put myself on a roster because I am attending the sessions?** - No, the mainly music group has a network of volunteers from the local church where they are based. If you want to help in the kitchen, then we're sure the team will love your help!

**What age should I start my child at mainly music?** - Start your child from birth! Seriously, if you need to get out - come!!! Once your baby becomes more interested, bounce, swing and sway your child, move their hands

**Can I start mid-term?** - Yes. mainly music is a fun, interactive music session - not music classes. So you're not coming in part way into 'a curriculum'. You can join at any time

**What if I miss a week?** - That's okay - you have a young child! Routines go upside down, children get sick, mornings just don't happen the way you expected ... so stay at home and don't fret. Whether or not you are part of a group who has a closed roll, we encourage you to phone the contact person if you miss a week - they are keen to know how you are!
